AVAILABILITY OF DRAFT ENVIRONMENTAL REPORT

The State Water Resources Control Board (SWRCB) released its draft Water Quality Control Plan for the San Francisco Bay/Sacramento-San Joaquin Delta Estuary (draft Bay-Delta Plan) on December 15, 1994. A draft environmental report, appendix to the draft Bay-Delta Plan, will be available for public review on January 24, 1995. The comment period on the report will close on March 10, 1995. The environmental report documents the SWRCB's analysis of the needs for and the effects of the draft Bay-Delta Plan.

The environmental report is approximately 500 pages long. The report will be provided to interested parties only upon their request. A copy of the report can be picked up on or after January 24, 1995 at the Division of Water Rights reception counter on the third floor of the Bonderson Building, 901 P Street, Sacramento, California. A copy can also be obtained either by calling Renee Knox at (916) 657-1361 or by mailing the request form below to Renee Knox, State Water Resources Control Board, P.O. Box 2000, Sacramento, CA 95812-2000.

The first copy of the draft environmental report will be provided free to interested parties. Additional copies will cost \$10 each plus \$4 each for mailing, if applicable. Please make checks payable to the State Water Resources Control Board.
